POSTPONED to April 16-21, 2023

April 3-8, 2022
Vienna, Austria

 LALLEMAND BIOFUELS & DISTILLED SPIRITS

 Ethanol Technology Institute

2022 Vienna Alcohol School Postponed

Join Us April 16 – 21, 2023

Out of an abundance of caution, the Vienna Alcohol School is postponed until 2023. While the world has made strides towards stability amid the global pandemic, we feel that rescheduling the event will allow us to provide a safer, more enjoyable experience for attendees and staff.

The Ethanol Technology Institute and Lallemand Biofuels & Distilled Spirits leadership closely monitors all COVID-19 developments and consults with local, national and global health organizations regarding our work and gathering protocols. We take our responsibility for the wellbeing of all event attendees seriously and after discussions with Austrian officials the decision to postpone was made.

Unfortunately, we have become quite practiced in making this decision. We recognize that another postponed event is disappointing news, and we certainly share in this frustration. The opportunity to gather, educate and learn with customers and colleagues is something we look forward to each year – and something we will not take for granted once we are able to do so again.

Trust that we are using this time to devise new ways to provide you an unparalleled experience in 2023, featuring renowned speakers, experiences and educational opportunities that you will not find anywhere else. We cannot thank you enough for your understanding and support as we navigate these daily challenges right alongside you.

We extend our heartfelt wishes of good health to you and your families this year, and we look forward to seeing you next April in Vienna.

Will my registration fee for the school be refunded?

We intend on rolling over all registrations for 2022 to the school occurring in 2023. However, if you would like a full refund immediately, please contact Liz Ward at lward@lallemand.com to get the process started.

Other questions or concerns?

Please contact your local Lallemand Biofuels & Distilled Spirits representative or Liz Ward at your convenience.
